EYE OF THE STORM

INT. HEALER'S SHOP - RECOVERY ROOM - DAY

Graezen wakes up to single-ring red eyes staring down at him. He jumps back and rolls off of the cot.

ARIZ

Easy...easy.

ARIZ, the First Blood healer, gives Graezen some space.

ARIZ (CONT'D)

It's okay. You passed out. You're fine now.

Graezen looks around the room, dazed and confused. He's in the recovery room inside of the Healer's shop.

Graezen looks down at his right hand. It's still intact.

GRAEZEN

It felt so real.

He opens his hand, then makes a fist.

ARIZ

You forgot how Vision Plane works? That's why you passed out. From shock.

GRAEZEN

I never passed out before.

ARIZ

You probably never had your hand chopped off either. That's why you passed out. From shock. I'm suppose to send you to your brother once you're awake.

GRAEZEN

How upset was he?

ARIZ

Like he really wanted to take your off your hand.

Graezen spots a slave's mask on the table next to him.

GRAEZEN

That's Udo's mask number.

ARIZ

Your brother burned him to death.
The mask will be assigned to a new
slave.

GRAEZEN

Of course it will.

ARIZ

I thought what you did was brave.
And honorable. I'm going to put it
took you six hours to regain
consciousness. As long as you stay
here, you should be fine. It's the
expected time anyway--

GRAEZEN

I need to ask you something. Healer
Ion believed that Jaxen died from
being poisoned, not illness. Do you
think the same?

ARIZ

I don't like talking about it.

GRAEZEN

I won't tell my brother.

ARIZ

Graezen, I wasn't there for the
autopsy.

GRAEZEN

Was the poisoning just Ion's
opinion?

ARIZ

Is that what your father says?

GRAEZEN

It's what everyone says.

ARIZ

Ion wasn't a liar. He was a savior.
It killed him that he couldn't save
your brother's life. Especially
since they were good friends. They
both shared similar views. And
Jarno hated that. Tried his best to
keep them separate. But once rumors
started to spread about Ion's
secret activities.

GRAEZEN

The smuggling slaves out.

ARIZ

Jaxen had no choice but to distance himself from Ion. You remind me of him you know.

GRAEZEN

Ion?

ARIZ

Jaxen.

INT. BLOOD TOWER - CONFERENCE HALL - DAY

Radon enters the conference room. Jarno sits in the chair next to Radon's chair.

RADON

I didn't know we were meeting now.

JARNO

What a mess.

RADON

This is what I've been trying to tell you about Graezen.

JARNO

I'm talking about you. You gave a slave the perfect platform to embarrass this city in front of our guest. Then, your own brother doesn't follow your orders. You looked weak.

RADON

I'll fix it.

JARNO

You've done enough. Now I have to fix it.

RADON

I'm the Arch Seer.

JARNO

By default. You reminded everyone of that.

RADON

I'm going to put Graezen on the execution post for treason.

JARNO

What?

RADON

Executing Graezen will show the people I don't play favorites. I'm strict but fair.

JARNO

What's fair in executing your brother because your feelings got hurt?

RADON

It was Graezen that told me to be more forgiving. Now you're saying the same?

JARNO

For your own people. For your brother. Not for the dead-eyes! You will sentence Graezen to prison for a fixed amount of time. Then we will work on building your image.

RADON

That isn't enough.

JARNO

Even with the mantle, you haven't changed at all. Why can't you understand that legacy comes first?

RADON

Why did you let Graezen live? For legacy?

JARNO

Absolutely.

RADON

Please. You did it for Jaxen. It had nothing to do with legacy.

JARNO

Jaxen awoken his multi-ring eyes at the age of seven. Do you understand what that meant? For our people? Our legacy? Keeping him happy was my priority.

RADON

And for all he was suppose to do
and be, he died accomplishing
nothing. It's my turn to do what I
want.

JARNO

Okay Arch Seer. Is your order to
kill your brother?

RADON

He will serve Udo's sentence.

JARNO

He won't survive working in Vision
Flame.

RADON

I don't care.

INT. BLOOD TOWER - ETHENIA'S BEDROOM - DAY

Ethenia enters her bedroom. Mirrors in different shapes and
sizes fill the room, along with several perfume bottles and
bright flowers.

She catches Saiya in the middle of lifting a huge vase.

Ethenia gives her a hand.

SAIYA

Thank you master.

ETHENIA

You can call me Ethenia when we're
alone.

SAIYA

Ethenia.

ETHENIA

Which one are you sad about?

SFX: Ethenia picks up two wine glasses.

SAIYA

What?

ETHENIA

Udo or Graezen

SAIYA

Both.

SFX: Ethenia pours wine into the two wine glasses.

ETHENIA

The fight we fight for the men we love. It feels like we'll fight forever. It doesn't stop at their grave.

SAIYA

Slaves don't have the luxury of fighting for the people they love.

ETHENIA

But you already started, with the rebellion. When were you planning to carry it out?

SAIYA

The day we kill your husband.

ETHENIA

What you just confessed is treason.

SAIYA

I don't care. I can't do this anymore.

ETHENIA

But you have to do it. The slaves need their leader.

SAIYA

Leader for what?

ETHENIA

That's up to the leader. You know, I really loved my husband. My first husband. My real husband. Do you love Graezen?

SAIYA

Yes.

ETHENIA

Did you love Udo?

SAIYA

Yes.

ETHENIA

You save or avenge the people you love. No matter the odds.

SAIYA

What?

ETHENIA

I am not your enemy. I heard Graezen is still in the healer's shop. And I need more flowers. Only the Healer has the type of flowers I like.

SAIYA

Why are you helping me?

ETHENIA

Don't come back until you have them.

INT. HEALER'S SHOP - DAY

Ariz stands behind the counter going over a list of inventory.

Price GreyBorn enters the Healer's shop.

ARIZ

General GreyBorn. What can I do for you?

PRICE

I'm looking for your eternal sleep leaves.

ARIZ

We can only trade that for equal value. These leaves are very rare.

PRICE

I have armor. Very Strong.

ARIZ

We have armor too. Only the First Blood can get these leaves with a lower trade value item.

GRAEZEN

Give it to him.

Graezen enters from the recovery room.

ARIZ

No I can't Graezen.

GRAEZEN
Then give it to me.

ARIZ
Graezen--

GRAEZEN
Just trust me.

ARIZ
How many do you need general?

PRICE
How much would it take for a ten
year-old?

ARIZ
Two leaves.

GRAEZEN
Ten year-old?

PRICE
My son.

ARIZ
I'm sorry to hear that.

GRAEZEN
Me too.

Ariz hands Price a jar with two blue leaves.

PRICE
Thank you.

ARIZ
General. Please make sure no one in
Burning Candle sees you with these
leaves.

GRAEZEN
Not just Burning Candle. Any other
city can't see you with it. No
offense, but everyone knows
GreyStone doesn't have anything
that would equal sleep leaves'
value. They'll just think you stole
it.

PRICE
Understood.

GRAEZEN

And if you get caught, tell them it was me. Ariz was never in the shop.

PRICE

I won't get caught.

GRAEZEN

Ariz maybe you should--

ARIZ

I was never here.

SFX: Ariz exits and shuts the door behind him.

PRICE

Now, tell me what you want in return.

GRAEZEN

To smuggle a slave and her baby.

PRICE

Your baby?

GRAEZEN

No.

PRICE

And what about your brother? He won't be happy.

GRAEZEN

I don't plan on being here when he turns mad.

PRICE

He can send First Blood guards to Greystone. A situation can escalate.

GRAEZEN

I won't let it come to that. I'll turn myself in if I have to.

PRICE

Doesn't mean there won't be a situation.

GRAEZEN

Please. They'll kill the baby if she stays.

PRICE

Moving slaves is hard. Everyone knows GreyStone has nothing to trade for them. But I like you First Blood. You get to the shore, and I promise I'll get you all to GreyStone.

EXT. BURNING CANDLE - SECTION ZERO - DAY

Boul walks through section zero. All First Blood woman pause and stare.

He walks up to a door and pounds on it.

Tasha of The First Blood opens.

TASHA

I don't have another baby for you to take.

BOUL

What happened at Vision Flame?

TASHA

I told you already. The slaves burned the wrong log.

BOUL

And you became best friends with Graezen. Was it the crackling of the babies' skin that brought you two together?

TASHA

Or the hate for a certain guard.

BOUL

Not the Guard Commander I hope. Because that would make him fear for his life. And gives him the right to act accordingly.

TASHA

Not the guard commander.

BOUL

Good.

Boul pushes his way inside Tasha's house.

SFX: His sits on the chair.

TASHA
I didn't say you can come in.

BOUL
Sit down.

SFX: Tasha shuts the front door and sits in front of him.

BOUL (CONT'D)
What happened at Vision Flame?

TASHA
The slaves burned the wrong log. I passed out.

BOUL
I don't believe you.

TASHA
I can't help you with that Guard Commander.

BOUL
You know what I think? You help Graezen save Lexie's baby.

TASHA
Graezen burned the baby.

BOUL
He burned a baby. Not the right one.

TASHA
Talk to Graezen. I don't know about that.

BOUL
The thing is, I don't care about the dead-eye child. I want to know about the rebellion.

TASHA
Why are you asking me all these questions?

BOUL
Because I know about you and the slaves. You thought you were so smart with your secret meetings. I let it happen for this exact moment. Tell me about the rebellion, and I'll leave you alone.

TASHA

If you really had something on me,
you wouldn't be asking.

BOUL

I'm trying to be nice.

TASHA

You're incapable of that. I'm a
First Blood, and until you actually
have something on me, you can't do
anything. So get out of my house.

BOUL

Oh but I do have something. Lexie's
baby is in slaves' camp. That's the
only place she can blend in while
Graezen buys time. Do you think
you're the first to come up with
that plan? I'll find her and chop
her to pieces in front of you--

TASHA

Get out of my house.

Boul stands up and pulls out a black bag.

TASHA (CONT'D)

Are you going to arrest me now?

BOUL

Turn around with your hands behind
your back.

TASHA

I'll make sure everyone hears about
this.

Boul leap at her and smashes her face down against the
against the table.

BOUL

When I came here with Graezen, you
approached him in a threatening
manner. And you spat on his face.

TASHA

Graezen didn't press charges.

BOUL

Until he verbally says he won't
press charges, you're under arrest.

SFX: Boul black-bags Tasha and tightens the elastic cord.

INT. BLOOD TOWER - DINING HALL - DAY

Radon eats with all of the Generals. He slides his chair back and stands.

RADON

Generals. Dead-eyes are on the other side, planning and preparing. The war can be prevented if all the eyes come together and keep the peace.

SFX: Lor slides his chair back and stands.

LOR

As the Grand Herald, leader of the Truth Seekers. The city Steady Mist will march behind Arch Seer Radon.

SFX: Merrin slides his chair back and stands.

MERRIN

As General of the Green Vein, the city Weeping Soil will march behind Arch Seer Radon.

SFX: Lokin slides his chair back and stands.

LOKIN

As General of the Sun Warriors, we will work with the Arch Seer if it means keeping peace.

RADON

Peace and prosperity.

LOKIN

Then the city Sun-Rising will march behind Arch Seer Radon.

SFX: Price slides his chair and stands.

PRICE

As General of the GreyBorns, the city GreyStone... will not march behind Arch Seer Radon.

RADON

That means you support the dead-eyes. Which makes you my enemy, and an enemy of these three cities.

PRICE

Am I free to go? Or will you throw me on the execution post?

RADON

If you or any other Greyborn passes the border of Sun Rising, that person will be executed for trespassing. Go home and spread the word.

SFX: Price exit the dining hall and shuts the door behind him.

MERRIN

Idiot.

LOKIN

He fought for his people.

LOR

You support the GreyBorns Lokin?

LOKIN

The man did nothing wrong. He stood by his city.

RADON

Will you stand behind me or follow him?

LOKIN

The only time a Sun Warrior breaks his honor is to fight dishonor.

RADON

Good.

INT. HEALER'S SHOP - DAY

SFX: The bed squeaks while a woman's moan intensifies.

Inside of the recovery room in the healer's shop. Graezen sits up in bed.

Saiya lays on Graezen.

GRAEZEN

You're not safe with me. You're not safe with Ethenia either.

SAIYA

She said she wants to help me. She allowed me to come see you.

GRAEZEN

She what?

Graezen hops out of the cot. He looks outside the window.

GRAEZEN (CONT'D)

You can't trust her Saiya. This is all a plan. That's why you were allowed to be her slave. It's to get information about the rebellion. Did you tell her anything?

SAIYA

Yes.

GRAEZEN

Can't stay in Burning Candle anymore. I'm getting us out. We're going to GreyStone.

SAIYA

The rebellion is still happening.

GRAEZEN

The rebellion is over. Learn from Udo.

SAIYA

Udo was blinded by being arrested.

GRAEZEN

And I got him off. My brother was going to spare him. And Udo messed it up.

SAIYA

You're mad at Udo? Your brother just burned him alive without a fair trial.

GRAEZEN

That's what I tried to prevent. I told him dying wasn't the answer.

SAIYA

You're wrong. I've never seen the slaves this ready to fight. They respect you for what you did.

GRAEZEN

That was nothing Saiya.

SAIYA

You stood up to Radon.

GRAEZEN

I can't beat him.

SAIYA

You couldn't save that baby, but you did. You couldn't challenge your brother for Udo, but you did. Stop saying what you can't and start doing what you can. I'm not running.

INT. BLOOD TOWER - LIBRARY - DAY

Radon sits at his desk, glossing over books. He skims through one, discards it, then picks up another from the pile next to him.

Merrin knocks on the open door.

MERRIN

Sorry to interrupt. Do you have a second?

RADON

Come in.

Merrin enters the library. He notices two First Blood Guards posted across the room.

RADON (CONT'D)

What do you want General?

Merrin sits down across from Radon.

MERRIN

I think it would be reckless to send you deep on the other side with the spores, and no weapons to counter whatever it is we'll find.

RADON

Oh I won't be going. I need to stay here and make sure Vision Rock stays in order. I will send my top guards. I'm already sending three. You, Lokin and Lor.

MERRIN

With all do respect Arch Seer,
we're not your guards. We're
generals of our city.

RADON

In Vision Rock. My country. Unless
you want to end up like GreyStone.

MERRIN

So with each General gone, who will
take care of our cities? This trip
can last months.

RADON

It's in good hands. I'll station a
few of my First Blood guards.

MERRIN

My people won't like taking orders
from a First Blood.

RADON

And my people don't like a Green
Vein inside of Blood Tower, but
here we are. Make it work.

SFX: Merrin stands up and walks to the door.

RADON (CONT'D)

Did you do it? Poison Jaxen. Sorry,
I have to ask.

MERRIN

No.

RADON

Would you tell me if you did?

MERRIN

It wouldn't bring your brother
back. And we all remember what your
grandfather did to GreyStone.

RADON

See that's what I like about you
General. You're always thinking
ahead. Planning. Maybe I should
make you the Grand Herald. Lor's
getting too old anyway.

MERRIN

Planning isn't the same as seeing.

RADON

It's better. You don't have the luxury of having the answers. So you prepare multiple solutions. That makes you sharper. Keeps you on your feet. I like that.

MERRIN

My plans are your plans.

RADON

So you'll give me the weapons? I mean, you were so passionate during your argument about modern weapons. It felt like you had some with you to demonstrate.

MERRIN

No weapons. Just blueprints. Is that allowed?

RADON

Plan away.

MERRIN

I'll leave you to your books.

EXT. BURNING CANDLE - HEALER'S SHOP - CONTINUOUS

Saiya exits the Healer's shop. She holds a couple of flowers in her arms.

Boul, escorting Tasha, notices her. He walks up to a guard on patrol.

FIRST BLOOD PATROL

Commander.

BOUL

That slave that just left the healer's shop. What is her identification number?

FIRST BLOOD PATROL

97 sir.

INT. BLOOD TOWER - RADON'S BEDROOM - DAY

Back in Radon's bedroom, Ira hops up and down on Radon.

SFX: Radon climaxes.

IRA
You're distracted.

RADON
Why did you come to Vision Rock?
You knew you would become a slave.

IRA
And if I stayed back home, I
would've gotten infected.

RADON
What about the safe zones? Why
didn't you go there?

IRA
There are no safe zones.

RADON
That's not true. I know the other
side isn't dead. You lied to me.

IRA
I never lied to you. I heard rumors
about several safe zones in
America. I left my country, my
family to go find it. I never did.
I thought it was a lie. Everything
was infected. Someone told me about
Vision Rock, and that I would
become a slave. Being a slave is
better than being infected. So I
got on the boat, then I met you.
The man I love and admire. The man
I could do anything for. I already
did. You don't trust me?

RADON
I don't know who to trust, starting
with my own brother.

IRA
I'm not your brother. He knew about
the rebellion and kept it a secret.
I told you. I can help you.

RADON
Lor had a vision. Dead-Eyes are
coming with an army three years
from now. The same day Lor told me
that, you told me about the slaves'
rebellion. Are they connected?

IRA

The slaves know nothing about the other side. If they knew, they would wait for three years. That's our advantage. We have three years to plan. Three years to decide if you should just kill them all.

RADON

If only you didn't have dead-eyes. I swear I would have made you my wife.

IRA

How much does Ethenia's eyes impact what you do?

RADON

I can't have a slave as a wife.

IRA

Is that only how you see me?

RADON

No. But everyone else will. You're a slave and slaves want open rebellion.

IRA

Only because they have nothing to live for. They need something to feel satisfied.

RADON

Like what?

IRA

Freedom.

RADON

Now you sound like Jaxen.

IRA

Jaxen wanted to give it. I'm saying sell it.

RADON

What can a slave offer that I don't already have.

IRA

Their complete loyalty. I bet you'll erase the rebellion with the offer of freedom.

(MORE)

IRA (CONT'D)

Make them fight for us three years from now. I should be the first freed one.

RADON

Who said I'm going with your idea?

IRA

You know it's a good one.

RADON

People will think things if I set you free.

IRA

Your wife?

RADON

Everyone.

IRA

Do you think it's a good strategy?

RADON

Yes.

IRA

Then that's all that matters. You'll have every slave dying to prove their loyalty to you. Let me be the example of hope.

INT. HEALER'S SHOP - DAY

Ariz enters the recovery room.

ARIZ

A guard asked when... what are you doing?

He sees Graezen loosen the buckle of Udo's slaves' mask.

GRAEZEN

What did you tell the guard?

ARIZ

You should be fine in two hours.

Graezen puts the mask on and tightens the buckle.

ARIZ (CONT'D)

If you're caught, they'll arrest me too you know.

GRAEZEN

You had no idea I went out the back window. Just tell them that.

ARIZ

Can you at least tell me where are you going?

GRAEZEN

Blood Tower.

ARIZ

For what?

GRAEZEN

The less you know Healer.

ARIZ

You can't get inside of there. Udo wasn't an indoor slave. Once a guard sees his identification number you're caught.

GRAEZEN

You know how many times I sneaked in and out of the Blood Tower.

ARIZ

This isn't a game. I already went against the Arch Seer by saying you're not ready to return to the Tower yet. You can't go.

GRAEZEN

I don't have a choice.

ARIZ

And if I call a guard?

SFX: Graezen walks to the window and unlocks it.

ARIZ (CONT'D)

Graezen. You better get back before your time is up. I'll stall as long as I can. But if you're not here and they ask.

GRAEZEN

I understand.

SFX: Graezen opens the window and hops out of it.

EXT. BLOOD TOWER - BALCONY - NIGHT

Radon stands on the balcony of Blood Tower. He stares up at Vision Flame.

Metz of The First Blood enters.

METZ

Arch Seer.

RADON

The candle makes me feel like he's watching us while we sleep. Protecting his home. That's what I want to do. What I want to be. The next Diviner

METZ

Ash to Flame.

ARIZ

Flame to Ash.

METZ

I thought I could give you an update. There's a boy training to be a guardsmen. When I administered the eye test, I noticed he was born with a lot of light. More than most.

RADON

You think he'll become the next Beholder?

METZ

Not necessarily. It's not uncommon that some visionaries have more light than others. Either way, it would be a great fit for you.

RADON

And alive is the only way?

METZ

For the results you want.

RADON

Metz. No one can ever know. Absolutely no one.

METZ

Understood. On your orders.

BOUL

Arch Seer.

Boul walks onto the balcony.

BOUL (CONT'D)

I just found out that Slave Saiya left the Healer's shop earlier today. And with Graezen there--

RADON

My brother's awake?

BOUL

I'd like to find out. I wanted to come to you before I did anything.

RADON

Go find out.

BOUL

Arch Seer.

RADON

What is it?

BOUL

It's more than him being awake and stalling. I have reason to believe that he might play a part in the slaves' rebellion.

RADON

The rebellion died with Udo.

BOUL

Or it passed onto someone else.

RADON

To who? Graezen? What are you basing this off of?

BOUL

I just have a feeling in the pit of my stomach. Graezen knows more than he's letting on. Allow me to look into it. Permission to break it out of him.

RADON

You want to torture my brother?

BOUL
I'm not talking about Graezen. I
want the slave. That's his pressure
point.

INT. BLOOD TOWER - ETHENIA'S BEDROOM

Slave Saiya exits Ethenia's room. Boul approaches her.

BOUL
Come with me.

SAIYA
Lady Seer told me to get her bath
ready.

BOUL
I don't care.

SAIYA
Her order outranks yours.

Boul gut punches Saiya, dropping her down to her knees. Boul
grabs the chain on her steel collar and tugs on it.

BOUL
Let's go see that traitor boyfriend
of yours.

SFX: Boul drags her away.

EXT. HEALER'S SHOP - LATER THAT NIGHT

Boul drags Saiya into the Healer's shop. Ariz, watering his
plants, notices them.

BOUL
Where's Graezen Ariz?

ARIZ
Resting. The damage of putting him
on vision plane--

BOUL
Wake him up!

ARIZ
I'm not sure he's fully healed yet.

BOUL
Tell him his girlfriend is about to
die.

INT. HEALER'S SHOP - RECOVERY ROOM - CONTINUOUS

Ariz opens the door to the recovery room. He spots Graezen climbing through the window.

ARIZ

What's going on? Boul has Saiya in the other room. He's threatening to kill her.

GRAEZEN

What?

BOUL (O.S.)

HEALER!

ARIZ

HE'S COMING!

Graezen takes off all of the slaves' garments.

INT. HEALER'S SHOP - CONTINUOUS

Ariz enters the lobby of the shop.

BOUL

You were ordered to send Graezen to the Arch Seer the second he woke up.

ARIZ

He just woke up.

Graezen enters the lobby.

BOUL

There he is.

GRAEZEN

You can take me to my brother now.

BOUL

Oh I will. After you tell me what happened at Vision Flame and what you know about the rebellion.

GRAEZEN

The wrong log burned.

SFX: Boul tugs on the chain and brings Saiya directly in front of him. She grunts.

BOUL
 You know, I can understand why you
 chose her.

Boul uses his knife and cuts the strap of Saiya's shirt.

GRAEZEN
 Move away from her. Right now!

Her left breast hangs out. Boul fondles it.

BOUL
 Is it true? That dead-eyed women
 are wilder than visionary women? I
 guess I'll find out.

ARIZ
 Rape will not happen in my shop.

Graezen charges at Boul and pushes him away.

GRAEZEN
 Ariz, take Saiya to the recovery
 room. Lock the door.

BOUL
 Ariz betray that order, or I'll
 charge you as an accomplice to that
 traitor.

Boul grabs Graezen by the throat.

BOUL (CONT'D)
 I won't stop until you tell me what
 I want to hear.

Boul eyes shine a red light.

INT. VISION PLANE - SAME TIME

Graezen is still in the Healer's shop, but the world is
 shaded in red. They are in Vision Plane.

BOUL
 Don't worry. I won't make you pass
 out again. I'll just make sure you
 can't walk once I'm finished.

INT. HEALER'S SHOP - LOBBY - SAME TIME

While Boul remains in the same position, holding Graezen by
 his throat, Saiya picks up a scalpel on the floor.

Just as she charges at him, Boul throws his small knife, impaling Saiya's left leg.

Suddenly, Graezen's eyes change.

He awakens the multi-ring grey eyes!

Graezen closes his eyes, then opens them. A flash of white light appears.

BOUL
What are you doing?

INT. VISION PLANE - SAME TIME

On Vision Plane, the red tint melts away.

BOUL
Help!

Bringing him back to reality.

INT. HEALER'S SHOP - SAME TIME

Boul's vision becomes blurry.

SFX: Graezen coughs after getting out of Boul's grip.

BOUL
I can't see. I can't see!

First Blood guards burst through the door.

BOUL (CONT'D)
The Arch Seer's brother blinded me.
Black bag him!

SFX: The guards put a black bag on Graezen's head.

SAIYA
Graezen.

SFX: The guards march Graezen out of the shop.

SAIYA (CONT'D)
I love you.

END OF SHOW
